Proficiency Test Providers

The following organizations are proficiency testing providers that have declared they are operating a quality system in accordance with ISO/IEC Guide 43.

Those that have all or some of the PT programs Accredited show the accreditation body in the listing. It is the responsibility of the accredited laboratory to determine if the particular program they are interested in is accredited. It is also the responsibility of the lab to assure the PT program they are subscribing conforms to the requirements of ISO/IEC Guide 43.
